COMPANY PROFILE

EMME ANTINCENDIO is an Italian company with more than 40 years of experience in designing, manufacturing and selling "**Made in Italy**" **CERTIFIED FIRE EXTINGUISHERS**, both portable and wheeled, **for the industrial and naval sector**.

Our Company has been able to develop a full range of fire safety equipment and material, besides the ability of designing customized automatic firefighting systems.

EMME ANTINCENDIO was founded by Gian Franco Milli and his Family in 1973 and it has been constantly growing to become one of the most dynamic market leaders in Italy, offering a network of more than 40 dealers, a commercial branch in Milan and a production site in Arezzo. **EMME ANTINCENDIO** intends to become an important player in the World market of firefighting equipment counting on its outstanding **QUALITY** and the **HIGHEST CERTIFICATION** and **SAFETY STANDARDS**.

Products and Services:

EMME ANTINCENDIO offers a full range of **FIRE EXTINGUISHERS** including the following products:

- **PORTABLE HAND HELD FIRE EXTINGUISHERS:** from 1 kg up to 12 kg Powder, Foam and Co2;
- **WHEELED FIRE EXTINGUISHERS:** from 18 kg up to 100 kg Powder, Foam and Co2;
- **AUTOMATIC FIRE EXTINGUISHERS:** from 6 kg up to 12 kg Powder and Foam.

EMME ANTINCENDIO, thanks to the experience built assisting a vast number of dealers all over the World, supports its network of dealers and customers quickly and efficiently taking special care of post sales services and assistance.

Our Company strongly believes in the constant training of our sales personnel and our partners, in order to guarantee the best possible service and assistance in the selection of the right solutions for different markets.

Quality and Certifications

The company's entire production meets the highest quality standards. Besides the legal certifications, our fire extinguishers are guaranteed by a third party, one of the most authoritative international certification bodies, the **BUREAU VERITAS**.

EMME ANTINCENDIO intends to grow establishing itself over the years as a **DYNAMIC, YOUNG PROFESSIONAL** reality focusing its growth on customers services, ensuring **SAFETY, QUALITY**, and constant product development.
